Casto in the famous duel at Dover. The poster goes on to say that \$40 cash will be given to enlisted men and \$100 at end of service. The poster was printed by The Times, Cincinnati.

THE Times-Star seems to have only recently discovered that Senator FORAKER is against Judge TAFT.

Si SLOKUM FORAKER should "be keerful" if he don't want to feel the heels and listen to the "hee, haw!" of Maud TAFT.

SPEAKING of family troubles, those that VESPATIAN WARNER stirred up were not half bad. "Pash" ought to have his pension increased.

NOW THAT Ohio has spoken and offers her big-hearted and big-brained son—TAFT—as her Presidential candidate, the campaign is now on in earnest. Hooray for BILL TAFT!

GOVERNOR BECKHAM has named several Kentucky Colonels as delegates to the National Irrigation Congress soon to be held at Sacramento, Cal. Kentucky Colonels at an irrigation meeting! It is to be hoped they will make a noise like a water wagon.

It is not so much that POWERS objected to Judge ROBBINS. It is the people of Kentucky who are objecting to a continuance of this unheard-of farce and this unconstitutional prosecution of a citizen who demands a fair trial and cannot get it. One more "unanimous conviction" of Caleb POWERS by a "Democratic Jury" and a Beckham Special Judge, will cause such a howl of indignation to go up over the land as was never heard before. It is time to call a halt.

GOVERNOR W. S. TAYLOR, of Kentucky, very properly and prudently declines the Hon. R. B. FRANKLIN's invitation to return to Kentucky and testify in the Caleb Powers case. TAYLOR would only appear to make a spectacular show of himself for the amusement of the Goebelites. One thing is certain, history hardly records a parallel of this case—of a fairly elected Governor of an American state being driven from his office by the defeated party and compelled to live in exile in a neighboring Commonwealth. We hope to live long enough to see God right the wrong inflicted upon W. S. TAYLOR, Kentucky's exiled and legally elected Governor.

## RUGGLES CAMPGROUNDS

### Splendid Meeting Now in Progress at this Beautiful Resort

RUGGLES CAMPGROUNDS, Aug. 1, 1907.

This has been a big week day with us. The attendance of visitors being quite large and each service has been largely attended, especially the one this evening, at which time the Tabernacle was nearly filled. This being the day for the annual memorial service, no doubt drew many here. That service was held at 10:30 this morning. The following persons who have been intimately associated with Ruggles Campmeeting have passed away during the past year: Mr. Robert T. Marshall, Mr. Sam G. Parsons, Mr. William N. Stephens, Mrs. Dr. Burdick and Mrs. Franklin Bradley. The memorial sermon was delivered by Dr. Thomas M. Hanford, prior to which the Sacrament of the Lord's Supper was administered to a large number of communicants.

The Young People's service has taken on new life since the committee appointed has gotten to work. The attendance this afternoon was double that of any previous August service of the kind. The addressers were made by Revs. H. W. Bunton and J. M. Ackman. The singing of the male quartette was a splendid feature of this meeting. We hear so many good and complimentary things said about the quartette that we must desist in saying more at the present.

A larger crowd attended the evening service than at either of last Sunday's services. The sermon was preached by the Rev. William Jones. A special feature of this service was the enthusiastic singing. Our people have taken up the famous "Glory Song" which has become so popular in a large number of the big revivals and are singing it with great vim.

At a meeting of the Ruggles Campmeeting Association the following Board of Directors was chosen: Ministers, F. W. Harrop, J. D. Welsh, G. W. Bunton, John Cheap, L. R. Godby and G. N. Jolly; Laymen, I. M. Lane, John Crane, John G. Brodt, George Kelley and M. A. Wallingford. Messrs. W. H. Thomas of Tollesboro and Robert Jones of Epworth were elected members of the Association.

The census was taken today with the following result: There are 325 campers this year, of this number 266 are adults and 59 are children. There are seven states and forty-four different places represented. The different Churches are represented as follows—Methodist Episcopal 136, M. E. South 29, Christian 27, Baptist 11, Presbyterian 5, New Lights 2, Episcopal 2 and Roman Catholics 2. 103 have no Church affiliation.

Mrs. N. C. Rudy, Miss Jennie Rudy and Mrs. Hattie V. Matthews attended the meeting today. Mrs. Rudy will remain until the meeting closes.

Messrs. R. B. Griffith of Indianapolis and H. S. Lawwill of Plainfield, Ind., arrived today to be with their families until the close of the meetings.

Miss Florence Tugge is among the campers. She is the guest of Miss Mabel Walker.

Master Chancellor Parker of Maysville spent the day in Camp.

Misses Mary Lute Coryell and Phoebe Kenan of Orangeburg arrived this afternoon and will be the guests of the Misses Bear and Coryell during the remainder of the meetings.

Rev. A. Boreing, J. U. Brown and H. W. Bunton left today for their homes and Rev. W. H. Davenport of Greenup arrived today.

Miss Fannie Bierbower leaves for her home in Maysville in the morning.

Mr. and Mrs. R. F. Gault of Shannon are among today's arrivals to stay till the meetings close.

While Mr. I. M. Lane and his daughter, Mrs. Muse, were out driving this afternoon, Mr. Lane met with an unfortunate accident. They had driven over to Kirk's Springs and on their return he was in the act of getting into his buggy when the horse gave a start, giving him a jerk that wrenches his back in such a way as to cause him great suffering. He is under the care of Dr. O'Bannon of Mt. Carmel. He had intended going to Maysville in the morning on business, but will be prevented now from doing so. It is hoped by all that he will soon be all right again.

This one is. A good physic should always be kept in the house. Nearly every affliction to which the human body is heir, from a slight cold to a severe attack of liver or kidney trouble, is in a great degree due to improper bowel action and can be more quickly relieved and cured by cleansing the bowels than in any other manner.

The home remedy should be safe for all members of the family who may be required to use it. The average physic, such as the alleged mineral waters, which are nothing more or less than preparations of salts and carbonated water—similar to soda water—candied pellets and pills, will move the bowels, but in doing so they often leave the patient weak. No one should ever take a physic which makes him weak. If such a remedy is continued a terrible habit is created which will make it necessary that a physic be administered before the bowels can be induced to perform their functions.

Henry Watterson has accepted an invitation to deliver an address on the opening day of the Bluegrass Fair at Lexington Monday, August 12th. Governor John A. Johnson of Minnesota has also been invited to speak.

Suit was filed at Lexington to break the will of Mrs. Susan P. Allen, widow of Dr. A. S. Allen, who died last March, leaving nearly all of her property, aggregating over \$20,000, to W. J. Loughridge, who was not related to her, and bequeathing to her relatives only small sums or nothing at all.

## GETTING READY

To Open Republican Campaign at Maysville August 19th

LOUISVILLE, KY., August 2.—John C. Wood of Mt. Sterling, a member of the Republican State Campaign Committee and Chairman of the Speaker's Committee, arrived in Louisville last night and is at the Louisville Hotel. Mr. Wood came to see about opening the campaign, or at least getting things in shape for the opening gun, which will be fired at Maysville, August 19th, by Augustus E. Wilson, nominee for Governor.

In regard to speakers he said that Secretary William H. Taft and Senator Joseph B. Foraker of Ohio had consented to speak in the state during the campaign and that Vice-President Charles W. Fairbanks had consented also to make a few speeches in the state during the campaign. None of the big guns will speak in Kentucky before late in the fall.

"In state campaigns," said Mr. Wood, "I have never been too strong on speakers outside of the state. It is all right in National campaigns but in purely state campaigns, speakers in our own state know the issues and will discuss them to a better advantage than men of National reputation who do not live in the state. However, outsiders add tone and strength to the campaign."

Mr. Wood will remain in Louisville until tomorrow, when he will go home and return in about a week to remain until the close of the campaign.

## READ THIS AND PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Picard's Complexion Soap, a non-injurious, healthful soap.

Talcum powder keeps the skin cool, allays heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

Miss Flora H. Brady, daughter of Joseph R. Brady and born near Sardis December 20th, 1865, died recently near Raymond, Rice county, Kansas.

Owing to the slaughter of animals made necessary to supply the emblems the Grand Lodge of Elks at Philadelphia decided that Elks should not wear elk's teeth as jewels.

The gage marks 147 and falling.

The river is again below a barge stage at Pittsburgh.

July was a record breaker in point of coal shipments from Pittsburgh.

The packets are having a heavy traffic in passengers, but freight business is light.

Motorboats are becoming popular on the Ohio. The boats are built at various prices ranging from \$300 up to \$3,000 or \$30,000, if the owner can afford to have a river yacht.

The Rivers and Harbors Commission has been called to meet at Pittsburgh on August 12th, when the practicability of securing a nine-foot stage will be thoroughly discussed.

On a recent trip of the Queen City, while the boat was near Marietta, Miss. Anna Andrews of Sharon, Penn., en route to Cincinnati, in company with friends, became unconscious and fell from the hurricane to the boiler deck of the boat, sustaining very serious injuries.

It will be of interest to steamboatmen to learn that United States Supervising Inspector of Steam Vessels Major S. R. Crumbaugh, of Cincinnati, received a ruling from the authorities in Washington relative to the question whether or not boats which permit gambling can have their licenses revoked. The ruling is that unless a boat is used exclusively for gambling purposes, as was the case with the City of Traverse, which operated out of Chicago, a United States statute will be necessary to stamp out gambling on steamers of the merchant marine. The controversy was raised after the license of the City of Traverse was revoked; it was reported that gambling was prevalent on several Ohio river excursion steamers and Major Crumbaugh asked headquarters for advice in the matter.

The man who will turn down a publication because of its cost, or its rates, is likely to get stuck with a one-eyed animal at "very low price" in his first horse trade.—*Infant Industries*.

The same with Book and Job Printing. The right kind, free from typographical errors, and done by skilled workmen, at Ledger Printery. Work done when promised.

An infant child of Mr. and Mrs. Grover Horde died Sunday at their home in Vanceburg. The remains were brought here for interment in Ebenezer Cemetery.

At last, after much delay and disappointment, Perry Boyd and H. C. Ferguson are papering the walls of Ebenezer Church. The work is being done by order of the Ladies' Aid Society.

Some of our prominent Church people have been conspicuously absent since Campmeeting season opened. Campmeetings have never profited our Churches, so far as we have observed.

Hillsboro has a plague of rats. It is said one can see them herding in the streets like so many sparrows. They are probably flood sufferers and have heard that Hillsboro is a dry town.—Clermont Courier.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
